Diabetes in the elderly

10

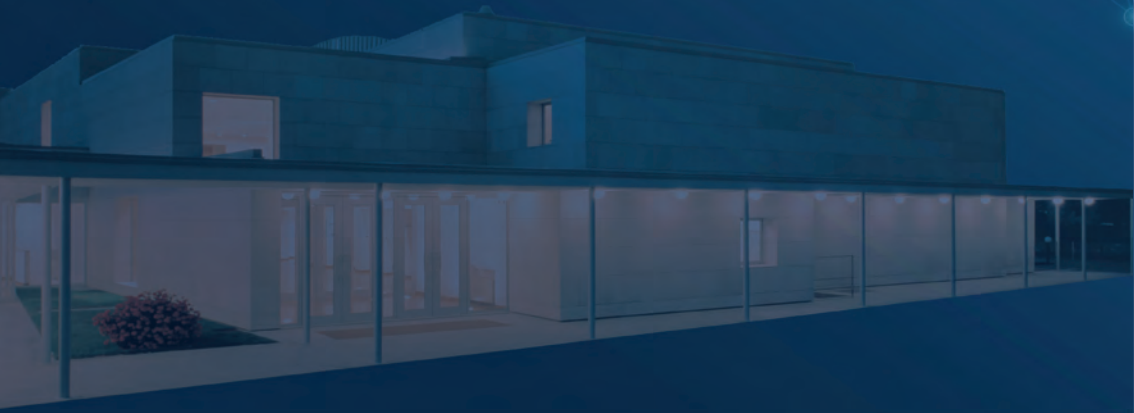

NOV

The surgical elderly
The demographic transition

11

NOV

My longevity experiment
Looking into the biological,
existential, spiritual future

Healthy Aging Week 2023

Across and Beyond Disciplines

Organised by

Fondazione Piera Pietro e Giovanni Ferrero

In collaboration with

Accademia di Medicina, Turin

Karolinska Institutet, Stockholm

Università Cattolica del Sacro Cuore, Milan

Honorary President

Maria Franca Ferrero

President Ferrero Foundation

Presidents

Franco Anelli

Rector Catholic University of the Sacred Heart of Milan

Maria Ankarcrona

Department Head Neurobiology, Care Sciences and Society

Karolinska Institutet of Stockholm

Giancarlo Isaia

President Accademia di Medicina, Turin

Bartolomeo Salomone

President Ferrero S.p.A.

Patronages requested

European Parliament

Presidenza del Consiglio dei Ministri

Istituto Superiore di Sanità

Campus Bio-Medical University of Rome

Università del Piemonte Orientale

Università degli Studi di Torino

Regione Piemonte

Provincia di Cuneo

Comune di Alba

ASL CN2 Alba-Bra

Ordine dei Medici della Provincia di Cuneo

European Union Geriatric Medicine Society

Roberto Menta

Lorenzo Morelli

Giuseppe Poli

Roberto Zoboli

CME COURSE - LANGUAGE: ITALIAN

New models of territorial health care

Organised by Ferrero Foundation, Academy of Medicine of Turin and ASL CN2 Alba-Bra

14.00 Registration and welcome coffee

15.00 Institutional greetings

Opening Lecture

Marco Inzitari

Intermediate care: supporting primary care in health and social integration for the frail elderly

First Session: The management of the frail elderly

Chairs: **Luigi Maria Pernigotti, Vincenzo Villari**

15.30 **Gianluca Isaia**

The clinical, cognitive and social benefits of home management of the frail elderly

15.50 **Renata Marinello**

The hospital at home: old model for new needs

16.10 **Giulio Fornero**

The document of the Academy of Medicine of Turin

Second Session: The experience of the ASL CN2 Alba-Bra Chronicity Plan

Chairs: **Luciano Bertolusso, Andrea Gonella**

16.30 **Elio Laudani**

The determinants of chronicity

16.50 **Annamaria Gianti**

The local chronicity plan: experience and implementation

17.10 **Paola Geloso**

The General Practitioner and the management of the chronic multi-disease patient

17.30 **Sabrina Contini**

The community nurse: competences in taking care of people with chronic diseases

17.50 Conclusions

18.00 CME Questionnaire

18.15 End of course

WORKSHOP - LANGUAGE: ENGLISH

Effects of Anti-Aging Redox Medicine on Health and Lifespan

Organised by the Oxygen Club of California in cooperation with the Ferrero Foundation and Soremartec

9.00 Welcome Address
Opening remarks: **Ettore Bologna, Roberto Menta, Giuseppe Poli, Enrique Cadenas**

9.30
Keynote Lecture
Chair: **Giovanni Mann**

Michael Ristow
Small molecule-mediated geroprotection and promotion of healthspan

Session I: Vitamins

Chairs: **Hüveyda Başağa, Anne Nègre-Salvayre**

10.30 **Maret Traber**
Expanding on vitamin E protection against metabolic dysregulation

11.00 **Lucia Malaguarnera**
Antioxidative effects of vitamin D in muscle dysfunction

11.30 **Tilman Grune**
Vitamins: key players in the redox status of the elderly

Session II: Diet and Health

Chairs: **Josiane Cillard, Gabriella Leonarduzzi**

12.00 **Laura De Gara**
Plant bio-active molecules: from molecular mechanism to health

12.30 **Roberto Menta**
Plant-based food: a perspective on nutritional and technological issues

13.00 **Sebastiano Banni**
Impact of dietary palmitic acid on metabolic flexibility

13.30 Light Lunch

Session III: Geroprotectors and Muscle Function

Chairs: **Fiorella Biasi, Giuseppe Valacchi**

15.00 **Malcolm J. Jackson**
Redox control of signaling responses to contractile activity and ageing in skeletal muscle

15.30 **Victor M. Victor**
Metformin and its redox-related mechanism/s of action in type 2 diabetes

16.00 **Ilaria Bellantuono**
The role of senotherapeutics in the treatment of multimorbidity and frailty

16.30 **Jordi Muntané**
Impact of rapamycin derivatives and their FKBP binding in the mTOR signaling in liver cells

17.00 ROUND TABLE DISCUSSION: *Which role for redox-active compounds in therapeutical protocols for >55 age patients?*
José Viña, Ettore Bologna, Giovanni Mann, Juan Sastre, Giuseppe Valacchi

18.00 Closing remarks: **Giuseppe Poli, Enrique Cadenas**

WORKSHOP - LANGUAGE: ENGLISH

NEAR – New Possibilities for the Aging Research in Europe

Organised by Karolinska Institutet of Stockholm in collaboration with Ferrero Foundation

Morning session I

Chair: **Maria Eriksdotter**

- 9.00 Welcome and Introduction
Maria Eriksdotter
Laura Fratiglioni
- 9.30 **Ingmar Skoog**
70 is the new 50. The changing face of old age
- 10.00 **Amaia Calderón-Larrañaga**
Health in aging: a multidimensional phenomenon
- 10.30 **Tom Bellander**
Environmental risks for the health of older adults
- 11.00 Coffee break

Morning session II

Chair: **Maria Ankarcrona**

- 11.30 **Lars Nyberg**
Cognitive aging: insights from neuroimaging on the brains behind well-preserved memory
- 12.00 **Sara Hägg**
Genetic effects on biological aging
- 12.30 **Linus Jönsson**
The challenge of unsuccessful aging for our healthcare systems
- 13.00 Light Lunch

Afternoon session I

Chair: **Björn Halleröd**

- 14.00 **Robert Thiesmeier**
The challenge of systematic missing data in prospective meta-analysis
- 14.15 **Caterina Gregorio**
The interplay between health and non-health related factors on lifetime cardiovascular risk
- 14.30 **Saana Korkki**
Developing a metric of global brain integrity in multiple Swedish studies: links to cognition and cohort effects
- 14.45 **Jonas Molinder**
Personality traits in relation to biomarkers of Alzheimer's disease in population-based samples of older adults in Sweden
- 15.00 Coffee break

Afternoon session II

Chair: **Davide Liborio Vetrano**

- 15.30 **Scott Hofer**
Introduction from an international perspective
- 16.00 Panel discussion between Italian and Swedish researchers on the topic
Big data in aging research: challenges and future directions
Anne Ekdahl
Maria Eriksdotter
Wilhelmina Hoffman
Alessandra Marengoni
Ingmar Skoog
Andrea Ungar

International Scientific Convention

Health Complexity in Aging

CME COURSE

NOVEMBER 9

Nutrition and longevity - Diabetes in the elderly

NOVEMBER 10

The surgical elderly - The demographic transition

conference

NOVEMBER 11

My longevity experiment

Looking into the biological, existential, spiritual future

CME COURSE - LANGUAGE: ITALIAN AND ENGLISH (SIMULTANEOUS TRANSLATION)

Nutrition and longevity - Diabetes in the elderly

8.00 Registration and welcome coffee

9.00 Institutional greetings

Scientific session: Nutrition and longevity

Chairs: **Enrique Cadenas, Laura Fratiglioni, Roberto Menta**

9.30 Opening Lecture
Andrew Prentice
Nutrition and the developmental origins of healthy ageing

10.00 **Raanan Shamir**
Breast feeding: the first step for healthier life

10.45 **Furio Brighenti**
Dietary patterns for living healthier, not just longer

11.30 **Laura De Gara**
From the Mediterranean diet to the functional enhancement of typical foods

12.15 **Ilaria Bellantuono**
Geroprotectors for frailty and multimorbidity: challenges and opportunities

13.00 Conclusions

13.30 Light Lunch

Scientific session: Diabetes in the elderly

Chairs: **Teresa Cammarota, Paolo Cavallo Perin, Umberto Dianzani**

14.30 **Enzo Bonora**
Coronary, cerebral and peripheral macroangiopathy

15.15 **Gabriella Gruden**
The surveillance of retinal and renal complications

16.00 **Giorgio Sesti**
Therapy today: objectives and drugs

16.45 **Giuseppe Paolisso**
Diabetes and cognitive impairment

17.30 Conclusions

17.45 CME verification questionnaire

18.00 End of course

CME COURSE - LANGUAGE: ITALIAN AND ENGLISH (SIMULTANEOUS TRANSLATION)

The surgical elderly - The demographic transition

8.00 Registration and welcome coffee

Scientific session: The surgical elderly

Chairs: **Alessandro Comandone, Patrizia D'Amelio, Alessandra Marengoni**

9.00 **Gabriella Bettelli**

Peri-operative medicine in the elderly: from diagnosis to return home

9.45 **Stefano Berti**

Minimally invasive surgery (MIS): a new paradigm in the protection of the patient and his frailty

10.30 **Carmelinda Ruggiero**

Orthogeriatrics: an added value for the person and services

11.15 **Giuseppe Bellelli**

Delirium in the elderly patient with femur fracture

12.00 **Giancarlo Rando**

Complexity in geriatric surgery: opportunities and optimal management

12.45 Conclusions

13.00 Light Lunch

Scientific session: The demographic transition

Chairs: **Giancarlo Isaia, Lorenzo Morelli, Roberto Zoboli**

14.00 **Alessandro Rosina**

Young and old: the difficult demographic transition

14.45 **Claudio Lucifora**

The Challenge for Ageing: What Prospects for a New Welfare

15.30 **Axel Boersch-Supan**

Aging and welfare systems in Europe

16.15 Presentation of the 4 scientific contributions awarded by the Ferrero Foundation

17.15 Conclusions

17.30 CME verification questionnaire

17.45 End of course

CONFERENCE

My longevity experiment
Looking into the biological, existential, spiritual future

9.30 Institutional greetings and introduction

9.45 *The 40-year experience of the Ferrero Foundation*
Ettore Bologna
Marcel Rufo

10.45 Round table
with the participation of
Ezio Giacobini
Vito Mancuso
Antonella Viola

Chair: **Piero Bianucci**

12.30 Conclusions

SCIENTIFIC COMMITTEE, SPEACHERS AND CHAIRS

Maria Ankarcona

Department Head Neurobiology
Care Sciences and Society, Karolinska Institutet, Stockholm

Sebastiano Banni

Department of Biomedical Sciences
University of Cagliari

Hüveyda Başağa

Molecular Biology, Genetics and Bioengineering Program
Sabanci University, Istanbul

Tom Bellander

Institute of Environmental Medicine
Karolinska Institutet, Stockholm

Ilaria Bellantuono

Healthy Lifespan Institute, Department of Oncology and
Metabolism - The Medical School, Sheffield

Giuseppe Bellelli

Full Professor of Geriatrics,
University of Milan-Bicocca

Gabriella Bettelli

Director University Master in Geriatric Peri-operative Medicine,
University of San Marino

Stefano Bertì

Director SC General Surgery
Michele and Pietro Ferrero Hospital, Verduno

Luciano Bertolusso

General Practitioner ASL CN2 Alba-Bra

Piero Bianucci

Journalist and scientific writer

Fiorella Biasi

Department of Clinical and Biological Sciences, University of Turin

Axel Boersch-Supan

Munich Center for the Economics of Aging
Max Planck Institute for Social Law and Social Policy,
Munich

Ettore Bologna

Head of Medical and Social Welfare Activities
Ferrero Foundation, Alba

Enzo Bonora

Full Professor of Endocrinology, University of Verona

Furio Brighenti

Professor of Human Nutrition, University of Parma

Enrique Cadenas

Professor Pharmacology & Pharmaceutical Sciences
School of Pharmacy University of Southern California

Amaia Calderón-Larrañaga

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Teresa Cammarota

Vice President Academy of Medicine of Turin

Paolo Cavallo Perin

Former Full Professor of Internal Medicine
University of Turin

Matteo Cesari

Department of Clinical and Community Sciences
University of Milan

Josiane Cillard

Laboratory of Movement, Sport & Health Sciences
Faculty of Pharmacy, University Rennes 1, Rennes

Alessandro Comandone

Director SC Medical Oncology ASL City of Turin

Sabrina Contini

Director of Health Professions ASL CN2 Alba-Bra

Patrizia D'Amelio

Médecin Cheffe Service de Gériatrie
Responsable de l'Unité SAS, Lausanne

Laura De Gara

Department of Science and Technology for Humans and the
Environment - Campus Bio-Medico University of Rome

Umberto Dianzani

Full Professor of Immunology
University of Eastern Piedmont, Novara

Anne Ekdhali

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Maria Eriksdotter

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Giulio Fornero

Director SC Quality and Risk Management
AOU City of Health and Science of Turin

Laura Fratiglioni

Professor Aging Research Center
Karolinska Institutet, Stockholm

Paola Geloso

General Practitioner ASL CN2 Alba-Bra

Ezio Giacobini

Professor Emeritus University of Geneva Medical School

Annamaria Gianti

District Health Officer ASL CN2 Alba-Bra

Andrea Gonella

General Practitioner ASL CN2 Alba-Bra

Caterina Gregorio

Polytechnic of Milan

Gabriella Gruden

Associate Professor of Internal Medicine
University of Turin

Tilman Grune

Institute of Nutritional Science
University of Potsdam, Nuthetal

Sara Hägg

Department of Medical Epidemiology and Biostatistics
Karolinska Institutet, Stockholm

Björn Halleröd

Department of Sociology and Work Science
University of Gothenburg

Scott Hoyer

Department of Psychology, University of Victoria and
Department of Neurology, Oregon Health & Science
University, Portland

Wilhelmina Hoffman

President Swedish Dementia Centrum, Stockholm

Marco Inzitari

Director of Integrated Care and Research
Parc Sanitari Pere Virgili, Barcelona

Giancarlo Isaia

President Academy of Medicine, Turin
President Osteoporosis Foundation

Gianluca Isaia

Medical Director Geriatrics AOU
City of Health and Science of Turin

Malcolm J. Jackson

Department of Musculoskeletal and Ageing Science
Institute of Life Course and Medical Sciences
University of Liverpool

Linus Jönsson

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Saana Korkki

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Elio Laudani

Health District Director ASL CN2 Alba-Bra

Gabriella Leonarduzzi

Department of Clinical and Biological Sciences
School of Medicine, University of Turin

Claudio Lucifora

Full Professor of Political Economy
Catholic University of the Sacred Heart of Milan

Lucia Malaguarnera

Section of Physiology, Department of Biomedical
and Biotechnological Sciences, University of Catania

Giovanni Mann

Professor Vascular Physiology
King's College, London

Vito Mancuso

Theologian and philosopher

Alessandra Marengoni

Associate Professor of Geriatrics
Department of Clinical and Experimental Sciences
University of Brescia

Renata Marinello

Head of SS Home Hospitalisation
SC U Geriatrics, City of Health and Science of Turin

Roberto Menta

Head of Nutrition and Sustainability Department, Ferrero, Alba

Jonas Molinder

Department of Psychiatry and Neurochemistry
University of Gothenburg

Lorenzo Morelli

Full Professor of Biology of Microorganisms
Catholic University of the Sacred Heart, Cremona campus

Jordi Muntané

Reina Sofia University Hospital
Liver Research Unit, Cordoba

Anne Nègre-Salvayre

Faculty of Medicine, Department of Biochemistry
Inserm U1297 and University of Toulouse

Lars Nyberg

Department of Radiation Sciences, Umeå University

Giuseppe Paolisso

Full Professor of Internal Medicine
University of Campania, Luigi Vanvitelli, Caserta

Luigi Maria Pernigotti

Emeritus Chief of Geriatrics, Turin

Giuseppe Poli

Professor Emeritus of General Pathology
University of Turin

Andrew Prentice

The London School of Hygiene & Tropical Medicine
University of London

Giancarlo Rando

Director SC Recovery and Functional Rehabilitation
Michele and Pietro Ferrero Hospital, Verduno

Michael Ristow

Institute for Experimental Endocrinology
Charité University Medicine, Berlin

Alessandro Rosina

Full Professor of Demography and Social Statistics
Catholic University of the Sacred Heart, Milan

Marcel Rufo

Professor Emeritus of Psychiatry
University of Marseille

Carmelinda Ruggiero

Professor of Geriatrics, Department of Medicine and Surgery
University of Perugia

Juan Sastre

Professor Department of Physiology Faculty of
Pharmacy University of Valencia

Giorgio Sesti

Professor of Internal Medicine
La Sapienza University of Rome

Raanan Shamir

Professor of Paediatrics, Lea and Arie Pickel
Chair for Paediatric Research
Sackler Faculty of Medicine, Tel-Aviv University

Ingmar Skoog

Department of Psychiatry and Neurochemistry
University of Gothenburg

Robert Thiesmeier

Department of Global Public Health, Karolinska Institutet,
Stockholm

Maret Traber

Linus Pauling Institute, Oregon State University, Corvallis

Andrea Ungar

Full Professor of Internal Medicine
Department of Experimental and Clinical Medicine
University of Florence

Giuseppe Valacchi

Department of Environmental Sciences and Prevention
University of Ferrara

Davide Liborio Vetrano

Department of Neurobiology, Care Sciences and Society
Karolinska Institutet, Stockholm

Victor M. Victor

Fisabio-Hospital Dr Peset, Service of Endocrinology, Valencia

Vincenzo Villari

Director Neuroscience and Mental Health Department
AOU City of Health and Science of Turin

José Viña

Professor Department of Physiology,
Freshage Research Group, Faculty of Medicine
University of Valencia

Antonella Viola

Full Professor, Department of Biomedical Sciences
University of Padua

Roberto Zoboli

Full Professor of Economic Policy
Catholic University of the Sacred Heart of Milan

CALL FOR ABSTRACT

Scientific contributions may be submitted in the form of abstracts.

Editorial rules: the abstract, drafted in Italian or English, must state

Title

First author (name, surname, affiliation, telephone, e-mail)

Other authors (name, surname, affiliation)

A thematic area among the following: nutrition and longevity, diabetes in the elderly, the surgical elderly, demographic transition.

The text must not exceed 5,000 characters including spaces and must be divided into: state of the art, methodological approach, main results, conclusions (do not include images, tables, attachments). Abbreviations are not allowed in the title and if used in the text they must be preceded, the first time they appear, by the full name.

Deadline: Abstracts should be submitted from **1 June** to **31 August 2023**, exclusively via the Abstract Form: **www.fondazioneferro.it**.

The submitting author will receive an acknowledgement e-mail. After the deadline, the papers will be submitted to the Scientific Committee of the Conference. Each first author will be notified of acceptance by 30 September 2023. Accepted abstracts will be published in the conference proceedings.

Ferrero Foundation Award: Travel Award (travel and accommodation expenses for the entire duration of the conference) for **the first authors of the four best abstracts** who, in the afternoon scientific session on Friday 10 November, will present an oral communication related to the award-winning work.

Programme variations

The Scientific Committee reserves the right to make any changes to the programme deemed necessary for scientific, technical or organisational reasons.

USEFUL INFORMATION

Location: Fondazione Ferrero, Strada di Mezzo 44 Alba (Cuneo)

The participation in the convention is free.

The convention does not receive funds from pharmaceutical companies.

All events will be streamed on the website www.fondazioneferrero.it.

Scientific Office: Margherita Campanello, Fondazione Ferrero Via Vivaro 49 Alba (Cn) tel +39 0173 295094 - margherita.campanello@fondazioneferrero.it

Organizational Office: Cristina Manzone, Fondazione Ferrero Via Vivaro 49 Alba (Cn) tel +39 0173 295259 - cristina.manzone@fondazioneferrero.it

CME Provider: Staff P&P Peveragno (Cn) tel +39 370 3483379 - info@staffpep.com

ONLINE REGISTRATION September 15 - October 15, 2023 - www.fondazioneferrero.it

Enrolment in CME courses entitles the participant to attend the scientific proceedings, conference materials, certificate of attendance, light lunch when provided

HOW TO REACH THE CONFERENCE VENUE

- by car**
- motorway A6 Torino-Savona (exit of Marene, junction with A33 Asti-Cuneo, exit of Cherasco, then Pollenzo, ring road to Alba, exit of Corso Europa)
 - motorway A21 Torino-Piacenza (exit of Asti Est, junction with A33 Asti-Cuneo, ring road to Alba, exit of Corso Europa)
- by train** - Alba railway station (1 km from the conference location)
- by plane**
- Turin Caselle airport (95 km)
 - Genova airport (139 km)
 - Milano Malpensa 2000 airport (162 km)
 - Milano Linate airport (165 km)
